Tactical Outdoor Set TAC7R

Tactical Outdoor Set TAC7R

PRODUCT DESCRIPTION

Ready to tackle your next outdoor mission? With the TAC7R Tactical Outdoor Set, your next hunting or fishing adventure can begin: It comes with an extremely powerful tactical flashlight and handy accessories that keep you ready for any situation. The TAC7R is an extremely robust, intuitive-to-use and reliable flashlight built for demanding conditions. Paired with a remote switch for silent and precise activation, a Picatinny rail mount and our Universal Mounting System for hands-free use of your TAC7R and the color filter set for additional red, green, blue and yellow light, it is the ultimate tactical outdoor set. When not in use, you can store everything in the high-quality carry case.

- TAC7R: Powerful tactical flashlight with multi-mission tactical beam and extensive scope of delivery
- Remote Switch Type I: Switch on your TAC7R silently and precisely to ensure maximum safety
- Picatinny Rail Mount Type A: Mount to attach your TAC7R to Picatinny rails for hands-free use
- Universal Mounting System: Easy-to-assemble system for attaching your TAC7R parallel to poles
- Color Filter Set: Red, green, blue and yellow filters provide the right light for any occasion

Weight incl. batteries [g]	220
Material	Aluminum alloy
Luminous range [mm]	156
Luminous range (focused) [mm]	156
Tube diameter [mm]	29
Head diameter [mm]	35
POWER SUPPLY	
Battery quantity	1
Rechargeable	Yes
Battery type	Lithium-ion
Total battery voltage [V]	3.6
Total battery capacity [mAh]	4600
Total battery energy [Wh]	16.56 Wh
Battery replaceable	Yes
Charging time [min]	210
Energy status indicator	Battery Indicator, Charge Indicator, Low Battery Warning

FURTHER SPECIFICATIONS	
IP class	IP68
Drop test (drop height) [m]	2
Working temperature range [°C]	-20 to +40

LIGHT FUNCTIONS
Main: TAC Boost, Check, TAC Mid, TAC High, Search

LIGHT SOURCE	MAIN
Amount LEDs	3
Color	-
Color temperature [K]	6000 to 7500
Color rendering index (CRI)	70

PRODUCT SERIES

Tactical Brilliance: With our TAC-series, nothing is left to chance. Whether you depend on tactical light at your job as a member of the police, special forces or security company or need additional light when hunting or prepping in your free time—when light matters, our TAC-series flashlights have your back.

Tactical Outdoor Set TAC7R

FOOTNOTES

The information pertaining to scope of delivery, appearance, performance, dimensions and weight corresponds to the information available at the time of publication. In the interest of product development, we reserve the right to change scope of delivery, appearance, design and color without prior notice. Product images may vary from the actual products and may show optional accessories which can be purchased separately. Errors and omissions excepted.

1) Measured values according to ANSI/PLATO FL 1 in the respective setting named. If no setting is specifically named, the luminous flux (lumens/lm) and range (meters/m) values refer to the brightest setting and the burn time (hours/h) values refer to the lowest setting. A boost function (if available) can be used several times, but is only

available for a short time at a time. In case the lamp is equipped with colored LED(s), the measured values are given with white light or the white LED. If the lamp has different energy modes, the "energy saving mode" is the basis for the measurement.

9) All aluminium components are made of at least 75 % recycled aluminium and may thus vary in surface structure and color.

*) 7 year warranty only if registered, otherwise 2 years. Warranty conditions viewable at <https://ledlenser.com/en/infos-service/warranty/>

10) Applies to the TAC7R and TAC6R.
